With spright - ly step old Sa - turn goes, Of

5

sea - sons he's the kee - per, In Spring he sows the fields with seeds, In Sum - mer he's the

10

rea - per... All liv - ing things are go - verned by Old Sa - turn's mas - ter plan, He

15

mea - sures with his hour - glass Each one's al - lot - ted span.

20

mp

The sands of time are like our lives, As through the glass they tric - kle, -

25

And when they're done, the rea - per comes And mows them with his sic - kle. - With

29

shoul - ders bowed, old Sa - turn goes - A - mong the wav - ing corn, He

33

is so old - he was a - live - When time it - self was born.

38

mf

The sea - sons come, the sea - sons go, - Ac - cord - ing to their pat - tern,

43

The hours and days, the weeks and years Are coun - ted out by Sa - turn. His hood - ed face and

48

long white beard Are famed in song and rhyme, No power on earth can stop the march Of

53

good old Fa - ther Time. The Sun, the Moon, brave

58

one - armed Tiu, Great Wo - din the all - know - ing, Then might - y Thor, fair Fre - ya too, Old
